About the College

Shri Vishnu Engineering College for women was established during the academic year 2001-2002 to empower women in professional courses. This institute has witnessed significant growth within a period of 20 years and stands out as one of the best engineering colleges in AP.

This institute is accredited by NAAC with 'A' grade. This institution is under autonomous status from the academic year 2014-15 and it is the first women's college under JNTUK to get such an autonomous status. It is permanently affiliated to JNTU Kakinada.

About the Department

Department of Computer Science & Engineering was established in the year 2001. It has been so structured, in terms of experienced staff and excellent laboratory facilities. The department is accredited by NBA in TIER-1 Category. The department is offering B.Tech with an intake of 180 seats, B.Tech in C.SE with specialization Cyber Security with an intake of 60 seats and M.Tech in CSE and SE specializations with an intake of 18, 9 in each specialization. The department has Cloud Computing and other research labs. The department of CSE is holding a Research Centre approved by JNTUK Kakinada.

About FDP

The One Week Online Faculty Development Program on Generative AI Models and Applications of Machine Learning aims to equip faculty members with cutting-edge knowledge and practical skills in AI and ML. The program covers foundational concepts, state-of-the-art techniques, and real-world applications, enabling participants to integrate these technologies into their teaching and research. Key objectives include understanding generative AI models like GANs and VAEs, exploring machine learning algorithms, and applying these tools to solve complex problems. By the end of the program, participants will be proficient in designing AI-driven solutions, fostering innovation in academic and professional activities.
